SKY ROTO MOULDED PALLETS

Sky Roto moulded Pallets are made out of linear low-density polyethylene in one piece; hence they are tough, durable, reusable and cost effective. It has been designed for easy handling & transportation of goods within & outside the factory/godown premises with little efforts and labour. It also last long to give you more economic benefits.

TYPES OF PALLETS

2 WAY [K- SERIES]

WITH STEEL REINFORCEMENT

2 WAY [P- SERIES]

WITH STEEL & PUFF REINFORCEMENT

4 WAY [P- SERIES]

WITH STEEL & PUFF REINFORCEMENT

Advantages of Plastic Pallets Over Wooden Pallets

- Longer service life and have better structural consistency.
- They are lightweight and free from all types of safety concerns.
- They suit all types of environmental conditions without the loss of quality in the materials used.
- Exempted from ISPM – 15 regulations.
- Hygienic and easy to clean.
- Easy to access and handle with a forklift.

Multiple Sizes, Variants & Load Carrying Capacities

Withstand Chemicals Solvents & Cleaning Agent

Strong & Durable

Industry Specific Solution

Floor & Racking Application

ENTRY NON REVERSIBLE PALLETS

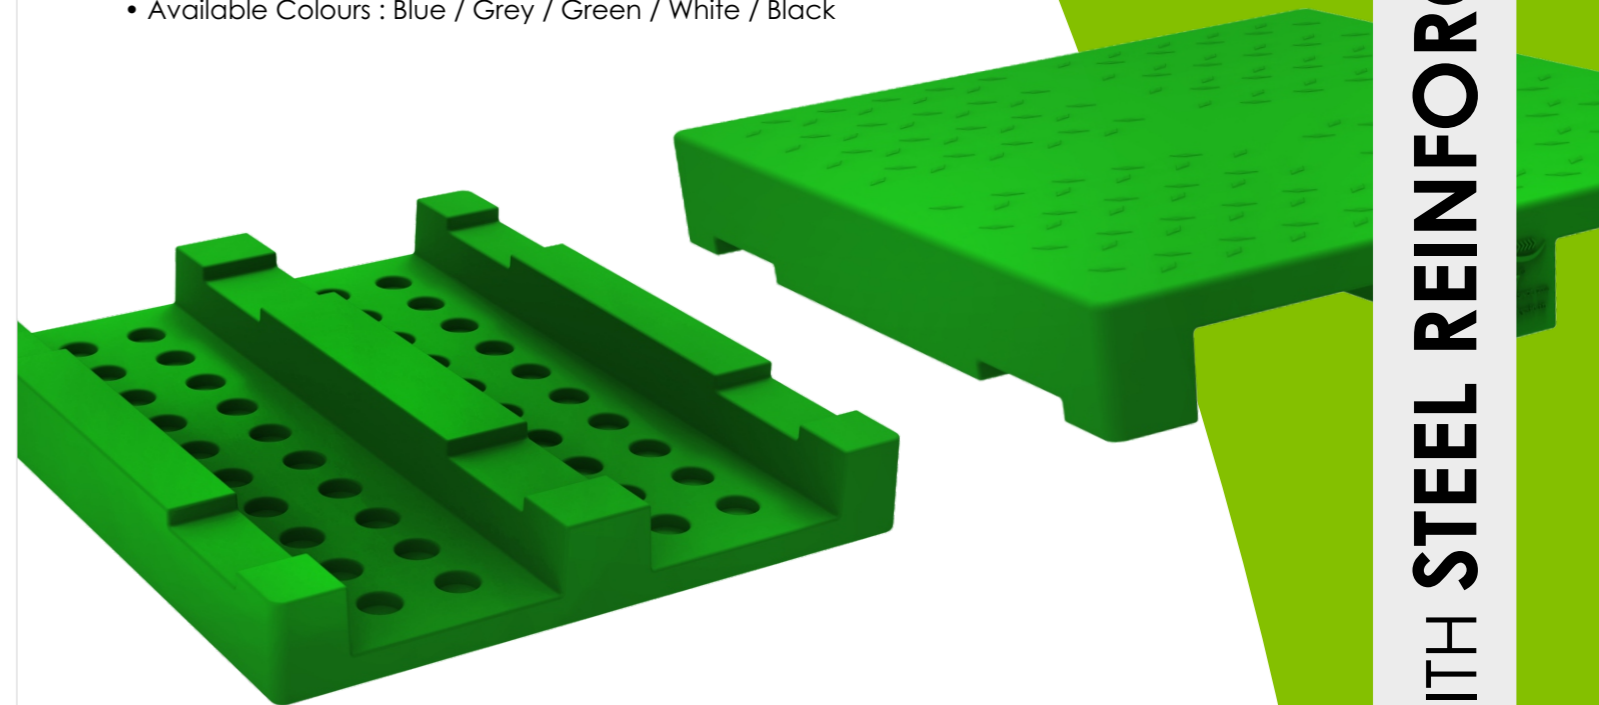

AVAILABLE COLOURS

2 WAY [K- SERIES] ENTRY NON REVERSIBLE PALLETS

Our 2 Way Entry Non Reversible [K- SERIES] Pallets come with steel reinforcement for heavy load application in material handling. They are used to stack, store, protect, and transport materials in the course of being handled by materials handling equipment such as forklifts, pallet jacks or conveyors, being stored in racking or bulk storage or being positioned in transport vehicles.

Key Features

- Pallet Type : 2 Way Entry Non Reversible Pallet
- Leg Type : 3 longitudinal legs
- Racking : Suitable
- Fork Lift Handling : Suitable for handling from width side
- Stacker : Suitable for handling from width side
- Hand Pallet Truck : Suitable for handling from width side
- Pallet Top : Plain / Antiskid / Customized *
- Available Colours : Blue / Grey / Green / White / Black

WITH STEEL REINFORCEMENT

Explore Our Different Sizes Available With A Detailed Description About The Capacities In Terms Of Static Load, Dynamic Load And Racking Load

CODE NO	SRP-K2	PALLETS	PALLETS	HEIGHT (mm)	FORK ENTRY (mm)	BOTTOM CLEARANCE (mm)	LOAD CAPACITY (KG)		
							STATIC LOAD	DYNAMIC LOAD	RACK LOAD
		8080	800	150	800	100	3000	1000	1000
		9090	900	150	900	100	3000	1000	1000
		1080	1000	150	800	100	3000	1000	1000
		1010	1000	150	1000	100	3000	1000	1000
		1140	1140	150	1140	100	3000	1000	1000
		1210	1200	150	1000	100	3000	1000	1000
		1212	1200	150	1200	100	3000	1000	1000

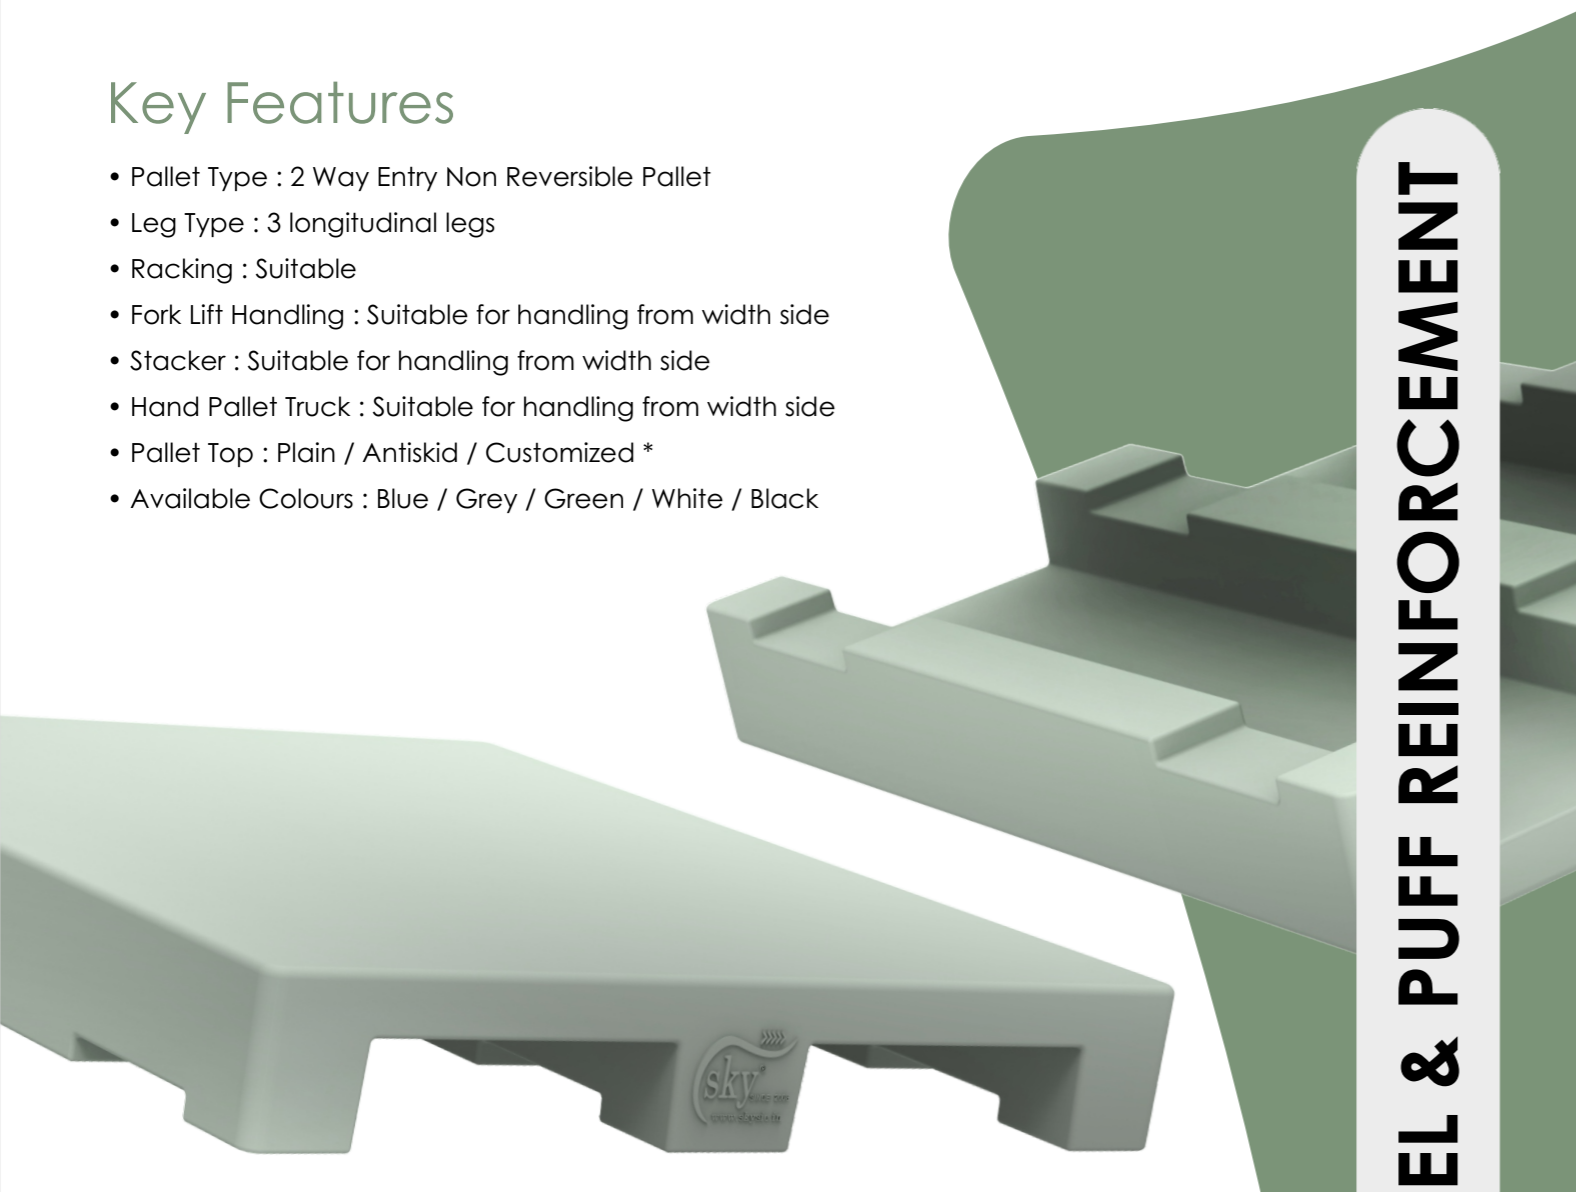

Note: - Above models can be manufactured with different load bearing capacity as per requirement.

2 WAY [P- SERIES] ENTRY NON REVERSIBLE PALLETS

Our 2 Way Entry Non Reversible [P- SERIES] Pallets come with Steel and Puff reinforcement. It can be customized as per customer's requirement (size & colour). Finding their wide applications in the industry and warehouses, these are used for safe handling and transportations of goods. Our pallets are used mostly in pharma and food industries.

Key Features

- Pallet Type : 2 Way Entry Non Reversible Pallet
- Leg Type : 3 longitudinal legs
- Racking : Suitable
- Fork Lift Handling : Suitable for handling from width side
- Stacker : Suitable for handling from width side
- Hand Pallet Truck : Suitable for handling from width side
- Pallet Top : Plain / Antiskid / Customized *
- Available Colours : Blue / Grey / Green / White / Black

4 WAY [P- SERIES] ENTRY NON REVERSIBLE PALLETS

Our 4 Way Entry Non Reversible [P- SERIES] Pallets with steel and puff reinforcement are used mostly in plant movement of goods and also for static application. These pallets are manufactured by high quality UV stabilized virgin LLDPE material and steel reinforcement technology enhancing the static and dynamic load capacity of pallet. The offered pallets are used for the purpose of export and storage material in industries.

Key Features

- Pallet Type : 4 Way Entry Non Reversible Pallet
- Leg Type : 9 legs
- Racking : Suitable
- Fork Lift Handling : Suitable for handling from any side
- Stacker : Suitable for handling from any side
- Hand Pallet Truck : Suitable for handling from any side
- Pallet Top : Plain / Antiskid / Customized *
- Available Colours : Blue / Grey / Green / White / Black
